

ENVIRONMENTAL POLICY

Summary Statement

GENERAL STATEMENT

Chris Hughes Multi Activity Services Limited (CHMAS) is a family run outdoor activity provider for individuals, families and small groups. As such, the responsibility for managing and maintaining this policy lies with its Directors.

CHMAS is an environmentally conscious and responsible company and recognises that its activities have an impact upon the environment at both the local, regional, national and global levels. To minimise this impact, it is CHMAS policy to ensure that all aspects of the business have the least harmful effect on the environment by the implementation of an environmental management system to:

- Be aware of all environment legislation and to ensure that any regulatory requirements are met and where feasible improved upon;
- Monitor the implementation of the Policy and when appropriate introduce remedial measures; and
- Ensure all employees, in the course of their duties, act in accordance with this Environmental Policy.

SPECIFIC POLICIES

In addition, areas for particular attention will be:

- Office Activities - Energy Use & Recycling;
- Transportation; and
- Activity Sites.

DECLARATION

On behalf of Chris Hughes Multi Activity Services Ltd. we, the undersigned, will oversee the implementation of the Environmental Policy and will take all reasonable steps to ensure it is adhered to.
